

Geoff Barlow
Chairperson, Regional Education Committee

“It has been a real honour to serve on St. Patrick’s R.E.C. since the 2009/2010 school year, serving on the Executive Committee firstly as Treasurer and now as Chair. As a school parent and a strong proponent of Catholic education, I feel privileged to serve this wonderful school community working with a such a committed group of gifted, hard-working, dedicated and faith-filled people, both on the R.E.C. and in the administration and staff of St. Patrick’s Regional Secondary.

From the first time I attended a St. Patrick’s Open House event, I have felt inspired by the virtues of this community with an amazing abundance of joy, energy, passion, and work ethic, and an authentic spirituality, which is displayed by the students, teachers, administration and parents. Our students are welcomed with the diversity of gifts that they bring to us, and all are affirmed and challenged to reach their full potential as young Christian adults.

I am very thankful to be an active part of this school community and I encourage all our school families to continue to bring forth their own talents and gifts so we can collectively continue to build up this school as it continues to provide the critical education and nurturing for our students’ future for years to come.”
